

PRICE LIST FOR RENTALS AND SERVICES AT THE LAEISZHALLE HAMBURG

Valid from 1 August 2023 to 31 July 2024

1. Rental Fees for Use of Halls and Ancillary Spaces for Events

The rental fee for the use of a hall includes the relevant areas and ancillary spaces associated with the hall. The costs for the supply of energy, cleaning and basic technical equipment, for the security service provided by the Lessor (admission control, cloakroom staff, ushers) and a technician for operating the event equipment in the hall are covered in the rental fee.

The basic rental period for artistic events comprises a maximum of six hours in total, consisting of a maximum of three hours of event time as well as get-in and/or rehearsal time directly before the start of the event and get-out time up to one hour directly after the end of the event. The backstage area must also be vacated within one hour after the end of the event.

The regular operating hours of the venue are from 07:30 to 00:00. The actual rental time begins with the access to the backstage area and/or hall and ends after these areas have been vacated. The calculation takes place in each case per hour and any part thereof.

Unless otherwise stated, all rental fees are net prices (excluding VAT).

The calculation of the graduated rental fee is based on the highest ticket price requested by the Lessee including all price components (any value-added tax and HVV public transport fees, but excluding advance booking fees, shipping and payment charges).

The halls must open to the public no later than 30 minutes – and the foyers no later than 60 minutes – before the start of the event.
