

Dear passengers,

The conversion of U-Bahn stations in Hamburg for barrier-free access is continuing apace. The HOCHBAHN will shortly begin work on converting the very popular **U3** station at Landungsbrücken. Since it is not possible to get all the work done while trains are operating, **it will be necessary to interrupt services between the stations St. Pauli and Baumwall.**

You can find all you need to know about the closures on the back page of this flyer.

From **20 May till 8 September 2019** the stretch of track on the **U3** from St. Pauli to Baumwall will be completely closed.

After that, U-Bahn services will go straight through the **U3** station at Landungsbrücken **without stopping until (anticipated) 13 October 2019.**

In addition, the line closure will be extended to Berliner Tor from 22 June c. 0.30 am till close of services on 23 June. A replacement service with buses will run for this weekend.

The conversion for barrier-free access will increase the comfort of travel for all HOCHBAHN passengers and provide enhanced accessibility to the Hamburg City Centre.

In order to preserve the historical value of the station at Landungsbrücken, a listed building, it will additionally be extensively renovated.

You can find further details of the project online at hochbahn.de/landungsbruecken.

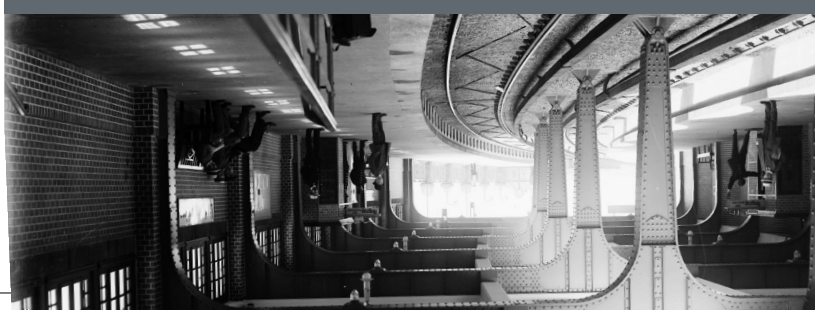

HOCHBAHN

Closure of the U3 between St. Pauli and Baumwall
20 May till 8 September 2019

20 May – 8 Sept. 2019:

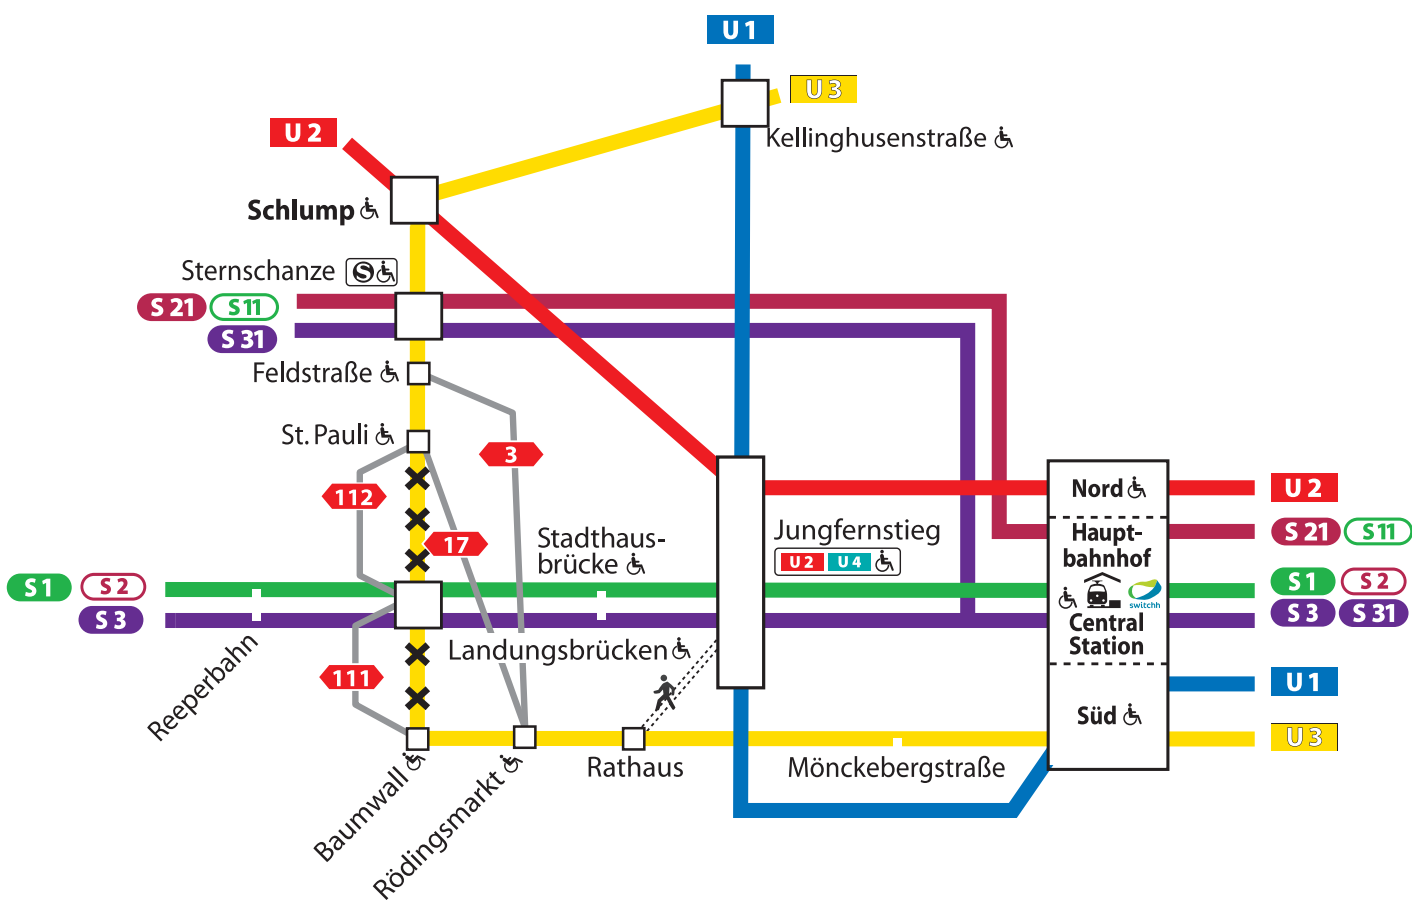

closure between St. Pauli and Baumwall.

22 – 23 June 2019:

closure between St. Pauli and Berliner Tor.

9 Sept. – 13 Oct. 2019:

trains go through Landungsbrücken without stopping.

! Our tip! Alternative routes

You can get where you want to go easily and quickly using other lines even during the closure. For that reason we are **not organizing replacement bus services** on this stretch. Instead, we recommend switching to the following S-Bahn or U-Bahn lines as an alternative:

- Take the **U1**, **U2** or S-Bahn to Jungfernstieg. Walk through the underground passageway (Passage der Städtepartnerschaften) to the U3 station Rathaus and take the **U3** to Baumwall.

- Take the **S1**, **S2** or **S3** via Hauptbahnhof (barrier-free) to Landungsbrücken.

Alternatively, you can reach your destination with one of these bus lines:

- No. **3** or No. **17** between Feldstraße/St. Pauli and Rödingsmarkt.
- No. **111** or **112** to Landungsbrücken.

The S-Bahn **S1**, **S2** and **S3** is not affected by the construction work and **will continue operating during the closure of the U3**.

How can I get where I want to go?

Timetable Information at hvv.de and in the HVV App will show you what alternative routes will take you to your destination.
